

ACC Children & Family Ministries

Dear Friends,

I love October! The changing of the leaves always reminds me that God has given us a life filled with changes. Some are easy, others are not, but I look forward to the leaves changing passionately as one of the beautiful displays of God's power in creation. As your calendars continue to fill with the things of life, be sure to block off Sunday mornings to share with us at ACC!

A few dates to remember:

Oct 7th – **Family Service with Communion.** We are working hard to try out some new interactive pieces in this monthly service. Kid Kits will be ready, so be sure to pick them up in the narthex!

October 14th, 21st & 28th – **PRAYground is OPEN!** Be sure to come down and experience our new format for Sunday School! We are all loving the family prayer station at the end of each time together.

special time and we host two age groups to ensure that everyone has fun. This group is open to all children birth through age 5 with their caregivers.

October 4th, 11th, 18th and 25th – **AGAWAM FAMILY PLAYGROUP** begins at 9:30 am, so come play and learn with us! This is open to the public, so tell your friends and family about this free activity. Free play, literacy activities, crafts and snack are all a part of this

October 28th – **Trunk or Treat at ACC!** See the flyer for more info on this fun community event! **Bring some pasta sauce or elbows to donate to our Loaves & Fishes project to be entered into a special prize drawing!**

In this time of creepy crawlies, use the chance to remind your kids that God loves them so much that they can live by faith, not by fear. Thanks for all you do and who you are as we share His love with each other and the community!

Blessings,

Janet
