

New Wine Ministry

Have you ever wondered about Church?

What if we could gather to relax and rest in His love apart from the chaos of the rest of the week? What if we could explore our faith and identity in Christ and find ways to weave His truth into EVERY day? What if authentically interacting with God and each other is where God's call on life begins? What if He is waiting to pour out the Holy Spirit, that we may bring the peace, love and joy beyond the gathering to change the world?

Join us at Agawam Congregational Church as we gather together to be the New Wine Ministry, a place to experience God's love, to seek, question and grow in community. Worship will be comfortable and interactive, so join us as we walk in faith together!

Join us: Sunday, November 18, 4 pm

In Bryan Hall for
