

UNDIES SUNDAY! 2019

What? Brand New T-shirts, underwear and socks for men, women, and children. All sizes needed, especially medium, large, and extra-large.

Details: For the past 15 years, local churches and businesses have encouraged members and employees to collect and donate to the Springfield Rescue Mission. Although donations have been generous in food, used clothing and toiletries, many times we don't have enough underwear to meet the need throughout the year. The basic necessity for the homeless is overlooked.

When? Every Sunday in February with a dedication on the last Sunday of the month.

Collection baskets are located in the Narthex!

Thank you!
